

Australia's No.1 Building & Renovation Show **MELBOURNE EXHIBITION CENTRE, 9 – 11 JULY 2010**

In collaboration with the **Master Builders Association**, the **BUILDING & HOME IMPROVEMENT EXPO** returns to the Melbourne Exhibition Centre from Friday 9 – Sunday 11 July 2010. Heading into its 4th successful year, the **MASTER BUILDERS BUILDING & HOME IMPROVEMENT EXPO** is the ultimate one stop destination for the serious homeowner, renovator or tradesperson.

Launched in 2007 the **MASTER BUILDERS BUILDING & HOME IMPROVEMENT EXPO** is a public & trade expo targeting serious home renovators and builders. Since its launch the show has grown in its number of exhibitors from year to year and has successfully attracted 20,000 over the 3 days each year.

The **MASTER BUILDERS BUILDING & HOME IMPROVEMENT EXPO** features the latest manufacturers and suppliers of building products and services. This Expo gives the serious home builder & renovator, and the building trade the opportunity get advice and ideas on the latest in home improvements and home renovations and discover a whole range of building products to make renovating or building your own home a breeze. Talk to the experts, compare costs, save money and walk away with a wealth of ideas and products. It's a one-stop shop from flooring to kitchens, water efficiency to building materials.

See the latest energy efficient products at **Sustainability on Show** a major feature of the Expo! There are hundreds of green ideas to improve the health of homes and the environment – plus save visitors money. Building and renovating ideas and products that conserve energy, save water and incorporate sustainable design will be on show.

Retailers and Suppliers of the following products are welcome to Exhibit at the Expo: Building Materials, Kitchens, Bathrooms, Flooring, Roofing, Doors & Windows, Fences & gates, Landscaping, Outdoor Living, Lighting, Energy Efficiency, Solar Products, Security, Finance, Heating & Cooling, Home Builders and Developers and Sustainable Building Products.

The **MASTER BUILDERS BUILDING & HOME IMPROVEMENT EXPO** is open to the public (with an admission charge) and is free to trade visitors. Trade visitors qualify under the following categories: Builder, Architect, Interior Designer, Interior Decorator, Painter, Plumber and Property Developer.
